**Sub: Disclosure of material event - Compuage Infocom Limited enters into distributorship of additional product line of Storage Business with Dahua Technology**

Dear Sir / Ma'am,

Pursuant to Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Policy for Determination of Materiality of Events of the Company, we are glad to inform that Zhejiang Dahua Technology Co. Ltd. has appointed our Company as a distributor of an additional product line of Storage Business, i.e., Solid State Drives on PAN India basis.

Our Company had joined hands with Dahua in July 2020 for distribution of Dahua's entire distribution range of CCTV surveillance and video management solution products in four major states of India including Maharashtra, Karnataka, Andhra Pradesh and Telengana. Considering our Company's deep understanding of global and local requirements, sales & marketing, technical & pre-sales support, financing, inventory management, business intelligence, supply chain expertise and managed services, it has been decided to add an additional product line of Storage Business, i.e., Solid State Drives on PAN India basis.

Currently, the existing hard drives used in the computers over the globe are being replaced with Solid State Drives and consequently, new systems would also be manufactured with Solid State Drives. We strongly believe this addition to the existing product lines would widen our Company's horizons and expand our business to a higher level.

Kindly take the above information on record.

Thanking you,

Yours faithfully,

For Compuage Infocom Limited,

Anmol Jolly  
Company Secretary
